

8 January 1982

MEMORANDUM FOR: Office of the Executive Director

ATTENTION:

STAT

SUBJECT: Weekly Report for the DCI

1. Public Affairs Division

Television of Interest: PBS is scheduled to air at 9:00 p.m. on Monday, 11 January (channel 26) a documentary on international arms dealer Frank Terpil. According to TV Guide, the story "looks at the life and the shadowy world of this former CIA agent, who says he is 'neutral and commercial.'" The program will show a July conversation in Beirut with Terpil and interviews with his family, former associates and law enforcement officers.

2. Coordinator for Academic Relations

Nothing significant to report.

3. Legislative Liaison Division

Nothing significant to report.
